EXPERIENCE

ASSOCIATE SOFTWARE ENGINEER   06/19 – PRESENT
WISSEN TECHNOLOGY   *BENGALURU*

- Worked on designing and developing **multithreaded architecture pipeline** for **Fee-Billing** application which brought down the operation time of generating bills for **4000 clients** from **12 hours to 40 minutes**.
- Worked on developing **User Interface** for **EBBOS CHESS** application which is web-based trading software.
- **Solely** designed, developed and deployed **JSON Editor** application which is used internally by SDE to edit, save and convert JSON to other formats like XML with all the features of modern text editors.
- Worked on technologies such as **Spring, Hibernate, Angular 8, MySQL, Oracle 11g, SQL Developer, DB2, Junit, Karma, Jasmine, Selenium for Automation Testing**.

EDUCATION

DJ SANGHVI COLLEGE OF ENGINEERING   **CGPA- 9/10**
BE Computer Engineering   *2015-2019*

PROJECTS

NUCLEUS - **Spring MVC, Spring Boot, Angular 8, Spring Security, JWT Tokens, Angular Material**
- Web based software that generates reports for **business users** against data fetched from **multiple data-sources.**
- A full-fledged application that supports **internal sharing between users, downloading, authentication and authorization** of reports.
- The reports generated are available in form of **grid-based reports (tabular)** and **chart-based reports** packed in **drag and drop layout**.
- **Data-sources** are configurable at runtime to choose from various databases like **Oracle and MySQL** and even from **REST** endpoint and perform **complex joins** on them for generating reports.

TECHNICAL SKILLS

Front-End Technologies: HTML5, CSS, CSS Flexbox, Bootstrap, Angular, Angular Material, Ngx Bootstrap, JavaScript
Backend and Database Technologies: Java, Spring Boot, Spring MVC, JPA Hibernate, JDBC Template, MySQL, Oracle 11g

COURSES AND CERTIFICATIONS

- Udemy: The Complete **JavaScript** course 2020.
- Udemy: **Angular** – The Complete Guide.
- Udemy: **Spring & Hibernate** for Beginners.
- Udemy: Full Stack: **Angular and Spring Boot**.
- Udemy: **User Experience** Design Fundamentals.

EXTRA CIRICULAR ACTIVITIES

- Technovanza **C Programming**: Secured **1st Rank** in intercollege contest held by VJTI College in 2017.
- **ZS Case Study Challenge**: Among **top 10** winner teams across India in 2018.
- Qualified for higher rounds in **ACM ICPC** and other prestigious competitions.
- Participated in **Code for Good 2019** held by **JP Morgan**.
- Microsoft Technology Associate: Certified in web development.
